

Paws- itively brilliant ideas!

This week, School Council had their first meeting – they have decided this year that they want to support the charity *Mind*. Children's mental health is very important, and they are already coming up with brilliant ideas for raising lots of money!

 *Mind*

# Dexter's Mail

Noah's bark!

It has been an animal-crazy week at SMA: Reception went on a trip to the zoo and Year 6 went on a trip to watch *Antarctica 3D* at the IMAX Cinema, where they learnt all about polar animals. They all agree that the best thing they learnt is that penguin poop can be seen from space...!

*Friday 13th January - Issue*

What is a rabbit's favourite dance style? Hip Hop!

Year 4 have had a lovely week with the school rabbits. They have spent the afternoon hopping around the classroom (the rabbits, not the children!) and have been taken good care of. And like my sleepover, the rabbits will be going on some too – with different children every weekend.

*Lots of licks,  
Dexter*

This week I had a sleepover at Ms Chakiris's house and my three new interests are:

1. Greek cuisine
2. Bandanas
3. Watching *Grand Designs*
