

Vincent van GOGH FETCH!

We have been getting creative this week at SMA with Art Week (apologies for all the mucky jumpers going home this weekend!)

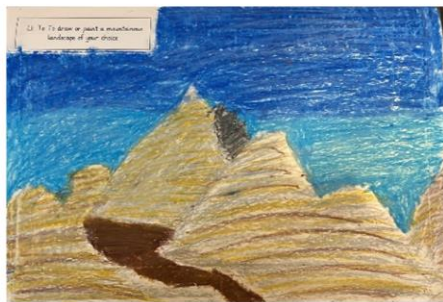

Each class have spent a week designing, painting, sculpting, building, printing...I have even left some of my own artwork all over the carpet!

It has been great to see so much impressive work.

Years 4 & 6 have been painting landscapes.

Friday 20th January - Issue 3

Year 1 have been making collograph prints.

Dexter Mail

Year 3 have been sculpting and printing fossils.

Year 2 have been building beach huts.

Lots of
licks,
Dexter
