

Class 3 Curriculum Newsletter – Spring 2

Dear Class 3,

I hope that you have had a wonderful half term break and are rearing to get back to school! This term we have an exciting topic to delve into with opportunities for exciting activities during the Spring Term.

In Science, we will be learning about Forces and Magnets; looking at magnetic fields and frictional forces. In Geography, we will be delving deeper into our Rocks, Relics and Rumbles topic which I know everyone has been finding fascinating. Excitingly in DT this term our topic is Cook well, Eat well so we are going to be sharpening some of our cooking skills and hopefully making some delicious dishes by the end of the term!

Swimming is still every Monday so please remember all of your swimming kit on Mondays and your PE kit on Thursdays.

Best wishes,
Miss Irwin

Religious Education

Who is the most important person in the Easter story?

Music

Musical Notation & Xylophones

Physical Education

Fitness and swimming

Art & DT

Cook well, Eat well

PSHE

Rights and respect

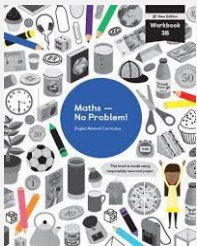

Computing

Spreadsheets

Homework Notice!

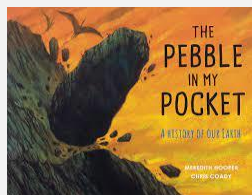

Every Monday homework will be sent home in Handwriting Books. Homework should be handed in on Fridays when we will have our Spelling and Times Table Tests.

Maths

In Maths, this half term we will be continuing to put a focus on 3x, 4x and 8x Times Tables and if you could continue practicing those for homework that will help a lot! We will be moving onto Money, Time and Pictograms.

English

This term our English will link to our topic of Volcanoes. Our first book we will be reading is The Pebble in my Pocket and we will be using it to write a diary entry and then a narrative about the future of the pebble. We will then be looking at the life of Mary Anning and writing a report about her findings.
