

Class 4 Curriculum Newsletter – Autumn 2

Dear Class 4,

I hope that you have had a restful half term break and are ready for another exciting half term of learning. We have another seven weeks of incredible opportunities for brilliant learning to complete this fantastic Autumn term!

We are going to be travelling a long way back in history to learn and discover about the incessant Vikings that raided our shores! We will be learning about where they raided, what the Anglo-Saxons did to try and stop them and finally how they lived when they settled here.

In Science, we will be learning all the about sound; exploring how sound travels, how we hear sound and how the volume and pitch can change.

I look forward to another successful half term!

Best wishes,
Miss Eglite

Homework Notice!

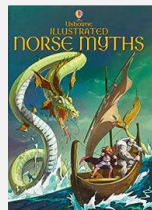

Every Friday homework will be uploaded to Google Classroom. Homework should be handed in on Thursday via Google Classroom.

Maths

In Maths this half term, we will be exploring multiplication and division. We will be learning our times tables up to 12x12 and learning how to use formal methods of multiplication and division.

English

In English this half term, we will be using the adventures of Hiccup and Toothless in How to Train Your Dragon to create our own stories.

Important Dates and Routines

PE Lessons
Every Wednesday

The Christian value for this half term is:

Peace
