

Class 5 Curriculum Newsletter – Autumn 2

Dear Class 5,

I hope you have had a lovely and restful half term and were able to do some fun things! We have lots of really interesting learning opportunities planned for you this half term!

We will be continuing to learn about the Shang Dynasty and focus on particular significant individuals, who helped shape the Shang Dynasty, as we know it. In Science, we will be learning about Earth and Space. We are going to be exploring our Solar System and how the sun helps our Earth survive.

In English, we will be continuing to read stories linked to the Shang Dynasty. We will use our Destination Reader texts as a stimulus for our writing.

I look forward to another brilliant and successful half term.

Best wishes,

Science

Earth and Space

History

Dynamic Dynasties

Religious Education

How do art and music convey Christmas?

Music

Musical Notation

Physical Education

Art & DT

Taotie

PSHE

Valuing friendships

Computing

Coding and Spreadsheets

Homework Notice!

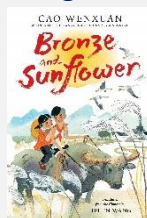

Homework will be given out every Monday and is due back on Friday.

Maths

In Maths this half term, we will be focusing on multiplication and division. We will be exploring the different methods used for multiplying multiple digit numbers as well as consolidating knowledge of division with remainders.

English

In English this half term, we will be exploring more traditional tales from China and how these stories teach us about Chinese culture. We will be writing diary entries, newspaper reports, non-chronological reports and instructions.

Key Information

PE will be every **Thursday**

Children visiting the school library to change books- **Monday fortnightly**

Reading records and all reading books to be in school daily.

Homework should be handed in by Friday.

The Christian value for this half term is:

Peace
