

Trips

Year 4 and Reception went on lovely trips this week. Year 4 went to visit the Mandir as part of their RE learning, and Reception went to the Unicorn Theatre to watch *The Three Billy Goats Gruff* linked to their English learning about fairy tales.

Dexter Mail

Earth Day

Our Eco Ambassadors have been working hard to help organise Earth Day! All the children were invited to wear green and donate money to our new bin-twinning project- such a great cause! Keep your eyes peeled in next week's issue for some eco-bakes!

Resurrection Service

Well done to all the children who took part in this week's church service. As always, Year 3 did a wonderful job with the readings, serving and prayers.

Learning

This week, Year 2 began their new DT project *Cut, Stitch and Join*. They started designing their own luggage tags inspired by British brand Cath Kidston. We look forward to seeing how they get on with the next stage.

Lots of licks, Dexter
