

Reception Homework W/B 20th February

Phonics	Maths	Reading			
<p>Please practise sounding out and writing the sounds we have revised this week. As a challenge see if you can think of and then write any simple words that begin with the following sounds.</p> <table border="1" data-bbox="235 751 741 938"><tr><td data-bbox="235 751 398 938">c </td><td data-bbox="398 751 562 938">k </td><td data-bbox="562 751 741 938">u </td></tr></table>	c 	k 	u 	<p>Last week we used part part whole models to add two numbers. Can you find two groups of things that add up to 10?</p> 	<p>We will send reading books and reading logs home. Please make sure to bring in the books so we may read with the children and change their books. There are labels with the designated day.</p>

Ready, Set, Grow!

This half-term we will be learning about things that grow. Can you choose a plant and start by planting a seed in a small pot? We will be doing this at school as well. Can you track the progress of your plant growing by taking or drawing pictures each week? As a challenge can you label the different stages of your plants life cycle or write a simple sentence about the changes you have observed.

Number Bonds to 10
