Class 3 trip

Class 3 had a fantastic (and warm!) day out at Kew Gardens. They had a session with a Kew teacher, where they learnt about the importance of bees and pollination. The class visited several of the greenhouses, looking at the diversity of plants from around the world, ranging from deserts to rainforests. Everyone was incredibly brave and climbed up to the Treetop Walk, where they could see some amazing views, whilst conquering their fear of heights!

PE

KS2 children have been making the most of the lovely weather and enjoying learning all about cricket. They have been practising basic skills and applying them to game situations. They also now know many of the rules and different roles involved – I'm sure there'll be many games taking place in the park this weekend!

SMA Spelling Bee!

A huge well done to all who took part in the SMA Spelling Bee this week. You all did brilliantly! Congratulations to our phase winners Aaron (R), Bella (Y1), Relja (Y4) and Eva (Y5).

Green for Grenfell

On Wednesday, we commemorated the 6th anniversary of the Grenfell Tower disaster by wearing green. Father Christopher led us in prayer as we thought about all those who were, and still are, affected by this tragedy.

Author-in-Residence

This week we had our final visit of the year from our Author-in-Residence, Nicola Davies. She completed a writing activity with each class and talked about how to develop setting and characters. We also heard all about her recent whale-watching trip!
