

St Mary Abbots School

## Class 6 Curriculum Newsletter – Autumn 1

Dear Year 6,

Hello and welcome to your final year at St Mary Abbots! I am so excited to be teaching you this year and I cannot wait to see the all the wonderful work you will produce.

What a fantastic start we have had already! You have all settled in so well and should be proud of yourselves for setting such a brilliant example to the younger children in the school with your beautiful behaviour.

We are going to have to work extra hard this year in order to prepare you for your SATS exams; however, we will also have fun along the way!

Parents, I look forward to working with you to support your child and to ensure that they remain safe, happy and healthy whilst at school. If you would like to contact me, please feel free to e-mail the school office.

Please may I request that any parent allowing their child to walk home alone, write an e-mail to the school granting them permission to do so. Without this, your child will be unable to leave the school premises.

\*More information about any RSE content to follow shortly

Best wishes,  
Ms. Chakiris

### Homework Notice!

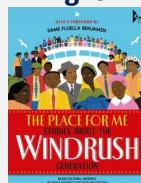

Every Friday homework will be uploaded to Google Classroom. Homework should be handed in on Thursday via Google Classroom.

#### Maths

This half term in Maths, we will be learning to recognise 8-digit numbers, solving problems using Mixed Operations. We will be finding Common Factors, Multiples, Prime Numbers and Fractions.

#### English

In English this half term, we will be learning to identify the audience for and purpose of writing. We will write narratives, select appropriate grammar and vocabulary, and discuss themes across a wide range of writing.

The Christian value for this half term is:

# Friendship
