

St Mary Abbots School

Class 6 Curriculum Newsletter – Summer 2

Dear Year 6,

I cannot believe we are in your final half term of Year 6 and last few weeks at St Mary Abbots School! You have worked so hard this year, and I am very proud of each one of you. I hope these last few weeks will be very memorable!

In History, Science and DT we will be continuing with our topics *Britain at War*, *Evolution and Inheritance* and *Make Do and Mend*. In English, we will be focusing on editing and proofreading skills.

RSE- Class 6 has already had its non-statutory/optional Sex Education session.

We will also be focusing on the Year 6 production, which will take place during the final week of term on 19th July (matinee) and 20th July (evening).

We also have a final trip coming up, and some fun school events planned, including Sports Day and the Summer Fair!

Best wishes,
Ms. Chakiris

Our Curriculum Topics

Science

Evolution and Inheritance

History

Britain at War

Religious Education

Rules and Responsibilities

Music
