

SMAil

Harvest Festival

This week we celebrated the Harvest Festival with a whole-school Eucharist. A tremendous thank you to all who brought donations for the Upper Room charity. Also, a big well done to Reception class for their super behaviour during their first church service.

Friday 29th September - Issue 3

Trip

Class 6 visited the Black Cultural Archives as part of their History topic *Maafa*. They studied some primary and secondary sources to do with the Windrush, and learnt about some major figures from history, including Claudia Jones and Connie Mark.

Online Safety Week

It's been Online Safety Week at SMA, and every class have been working hard completing their Purple Mash units. They have also had a workshop delivered by *Childnet* and a special assembly, all about keeping safe online.

Sport

The Class 6 mixed football team had their first round of matches this week. With slightly depleted numbers, the team still managed to perform extremely well. After narrowly losing the first match 1-0, they bounced back with three consecutive victories. Go SMA!
