

SMAil

We began the week with an assembly all about our Christian Value for this half term: Peace! Each class reflected on what peace means to them, what peace looks like and how we can create a peaceful world to live in. Have a look at some of Class 3's lovely reflections.

Friday 11th November - Issue 7

Class 2 visited the Florence Nightingale Museum, linked to their History learning all about Movers and Shakers. They were lucky enough to meet Florence Nightingale herself, who told them all about her life as a nurse, which they then compared to nurses working for the NHS today. They also took part in an artefact treasure hunt, and learnt all about Florence's famous lamp.

This half term, Reception Class and KS1 are working on 'sending and receiving' in PE, as well as performing different activities to help with their hand-eye coordination. This will help prepare them for activities like Benchball and Netball in KS2.

Class 6 has been studying what a Christian's understanding of eternal life is. They looked at what the Bible says and then discussed what they believe happens after death. They used their reflections to create pastel paintings to illustrate their thoughts.

Class	Attendance
R	96.7%
1	100%
2	97.2%
3	97.7%
4	96.8%
5	87.5%
6	88.6%
Whole School	96%

Big **congratulations** to Class 1 for achieving 100% attendance! They will get to enjoy extra Green Time - what a great way to round off the week!
