Well done to Class 5 for leading their first Eucharist service of the year. All classes attended this week's Remembrance Service, to mark our respect for the service and sacrifice of all those that have defended our freedoms and protected our way of life.

Friday 10th November - Issue 8

We'd like to welcome our new Music teacher – Miss Fontan – who started with us this week. All classes enjoyed their first Music lessons and look forward to learning lots of new skills as the year goes on!

The School Councillors were responsible for introducing our new playground equipment this week, and have been teaching the classes new games to play at break times.

Congratulations to Class 6 on their brilliant class assembly. They spoke with such confidence and really showed off their huge amount of knowledge on the Kingdom of Benin and Africa past and present.
