Class 6 Curriculum Newsletter – Autumn 2

Dear Year 6 parents,

I hope that you have had a restful and enjoyable half term break, and are ready for the second half of the autumn term. We have a lot to look forward to, including a wonderful week at Sayers Croft, which I am sure will prove to be a highlight!

In Topic, we will be continuing to learn about Maafa. In Science, we will be continuing our work on the Circulatory System, and I look forward to seeing your next round of independent research projects.

Children are expected to have a reading book at all times in class. This should be one of the two banded books they have been given or a book from the Studium, but they should be encouraged to read a book from start to finish.

Spelling tests will take place weekly. The spellings for the week can be found on the homework sheet.

Best wishes, Ms. Chakiris

Homework Notice!

Every Monday homework will be printed and distributed.
It is due on Friday of the same week.

Maths

Our Mathematics focus will be simplifying, comparing, and ordering, adding/subtracting, multiplying/dividing fractions. In addition, we will be converting different units of measure.

English

In English this half term, we will be looking at diaries, recounts, reviews and balanced arguments. We will be focusing on many key skills, including up-levering sentences with high-level vocabulary, using expanded noun phrases and fronted adverbials and using the correct style of writing for the purpose.
