Well done to Class 2 who led a beautiful Christingle service. They presented with great confidence and sang beautifully. They also unveiled the Advent window, displaying some beautiful artwork.

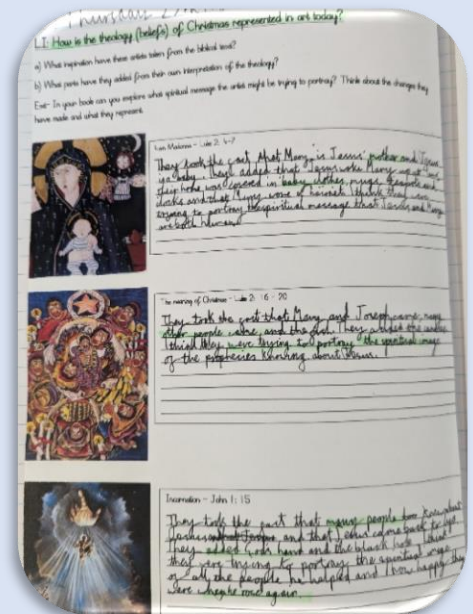

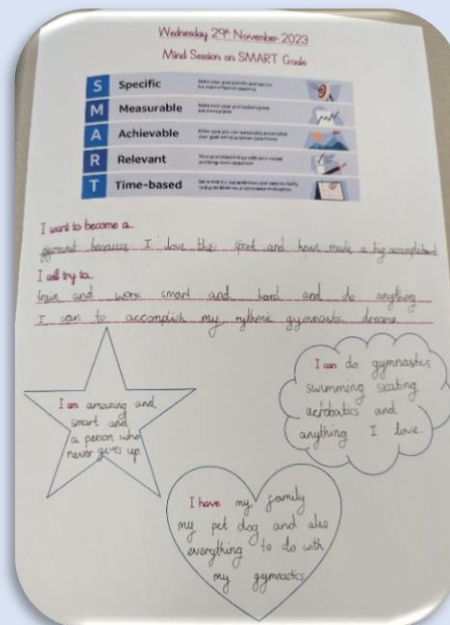

Friday 1<sup>st</sup> December - Issue 10

This week we had an exciting visit from Paul Lyalls, our Poet-in-Residence! He led a workshop with each class, looking at the language and structure of poetry, and helped the children to write their own innovations.

Class 5 has been looking at how the theology of Christmas is represented in art. They analysed different images and wrote evaluations discussing their ideas.

Class 6 took part in a workshop run by the charity *Mind*. They learnt all about making SMART goals and how to work towards achieving those goals.
