

SMAil

Huge congratulations to all classes for their wonderful performances and reading in this year's Carol Service. Everyone sang and read beautifully and Class 6 led with great confidence. A particular well done to Henry for his superb solo!

Friday 15th December - Issue 12

Class 5 attended the Tri-Borough Music Hub Christmas Festival this week, where they performed alongside other primary schools at Kensington Town Hall. The class has really loved learning all the music for the concert this half term, and put on a wonderful performance.

Class 1 visited the Science Museum to see 'The Garden' exhibition. They explored an exciting interactive space and discovered science and art through play. There were four different zones in the exhibition which link to their topics this term. These included a *Welcome Zone*, *Water Zone*, *Building Zone* and an *Eyes and Ears Zone*.

Class 3 had a fantastic DT Day making tacos as part of their topic *Cook Well, Eatwell!* They explored the different food groups and then planned and made healthy fillings to fill their tacos.

We hope to see better attendance across the school next week.

Class	Attendance
R	90%
1	82%
2	96.8%
3	97%
4	89.2%
5	96.7%
6	93.2%
