This week was *Democracy Week* at SMA. This was marked with our School Council and Eco Ambassador elections, the launch of our new Christian Value of Justice and beginning our new PSHE topic; Rights and Responsibilities.

Each class had a special democracy themed PSHE lesson. Class 6 organised their own mock election!

Class 2 carried out a scientific experiment this week testing everyday materials to see if they could bend, stretch, twist or squash.

As part of their new RE topic about world faiths, Class 5 visited the Central Gurdwara. They learnt all about equality within the Sikh religion and shared a langar meal with the community there.
