

SMAil

Friday 26th January - Issue 2

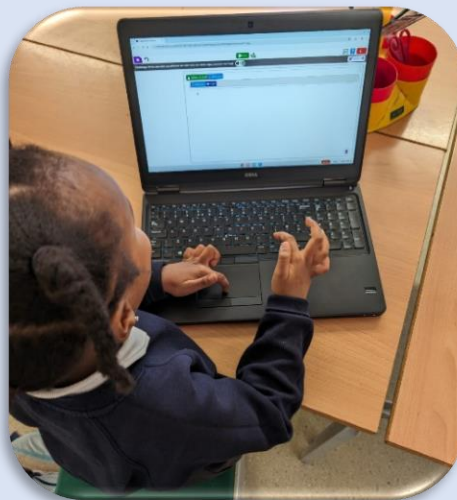

This week, Class 6 travelled to the University of Westminster to visit the Engineering and Architecture students. They took the class on a tour around their campus library and the 'Fab Lab' - where they design and create all their work. They presented some of their final products and explained the physics behind them.

Reception Class have been using their super phonics skills to decode rocket words and find sounds in the stars!

Class 2 have been enjoying their new coding unit in Computing.

Congratulations to all those who took part in the second Music Recital this week. It is so wonderful to see so many fantastic musicians at SMA!

Class	Attendance
R	98.2%
1	97.4%
2	93.9%
3	98%
4	92.8%
5	97.6%
6	96.3%
Whole School	96.5%
