

SMAil

It has been another busy week at SMA, with a range of classes out on interesting trips...

Friday 2nd February - Issue 3

Reception Class visited the Science Museum and learnt about what it would be like to go to Space, including how astronauts exercise, eat, drink and even go to the toilet! They learnt about the materials used for astronaut suits and how their backpacks carry oxygen to help them breathe when on a mission.

Class 4 visited the Shri Swaminarayan Mandir in Neasden. They learnt all about the history of the temple and how such a magnificent Mandir came to be built in North London in the 1990s. They attended a prayer ceremony (puja) in the prayer hall and afterwards, they looked at the ornate marble carvings of gods and goddesses and had a go at drawing them.

Class 6 visited the Meditation Centre in Earl's Court, as part of their RE learning on Buddhism. They learnt all about the life of Prince Siddhartha and about the meaning of the Buddhist shrines and statues. After, they took part in some meditating led by a Buddhist nun.

Class	Attendance
R	97.5%
1	95.5%
2	82.2%
3	96.6%
4	98.2%
5	96.4%
6	98.1%
Whole School	95.3%

Congratulations to Class 4 for their lovely Candlemas presentation in church this week! You did a fantastic job!
