

# SMAil

Welcome back everyone! We hope you had a lovely half term.  
Here's what we have been up to this week...

Friday 23<sup>rd</sup> February 2024

Nicola Davies, our Author-in-Residence, paid us a visit this week to read some of the English work the children have written inspired by her book *The New Girl*.

Class 1 went on their first Forest School trip to the *LookOut* in Hyde Park. They had a wonderful time exploring the park with magnifying glasses and helped take care of all the flowers and plants in the gardens. They made their own paper pots and planted seeds, which they are now looking after in their classroom. They are already looking forward to next week's visit!

Class 6 has been studying the work of Inuit artist Kenjuak Ashevak. They had a go at recreating *The Enchanted Owl* using watercolours and oil pastels, as well as sketching some of her other famous prints.

In PE this half term, the children will be learning about gymnastics; developing their rolls, jumps, balances, shapes, strength and flexibility. Classes enjoyed their first lesson and hopefully by the end of term they will be able to confidently perform both individual and partner routines.

Class	Attendance
R	96%
1	91.1%
2	96.6%
3	97.7%
4	89.9%
5	97.6%
6	98.6%
Whole School	95.3%
