Class 2 Curriculum Newsletter – Spring 2

Dear Class 2,

Welcome back to the second half of the spring term! We have many exciting learning opportunities to look forward to! We will be continuing with our learning about Coastlines this half term. Through this learning, we will discover more understanding in our Geography lessons. This learning will also underpin our English curriculum core texts, beginning with The Secret of Black Rock.

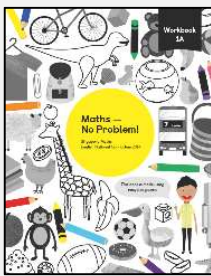

We will begin the term by looking at telling the time by using the language half past, quarter past and quarter to. To help at home please practise with your children telling the different times throughout the day. Later in the half term, we will cover shape and money.

Best wishes,
Miss Rees

Homework Notice!

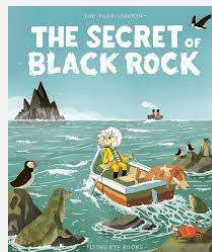

Every Monday homework will be handed out. Please ensure it is completed and returned on Friday, we will also complete our spelling test Friday morning.

Maths

In Maths, this half term we will be learning to tell the time with o'clock, quarter past, quarter to and half past. We will also be covering shape and money.

English

In English, we will be continuing to develop our stamina for writing at length and using core texts linked to our half-termly focus on Coastlines. We will continue to learn and implement a new spelling focus each week.

Our Curriculum Topics

Science

Plant Survival

Geography

Coastlines

Religious Education
