## Class 6 Curriculum Newsletter – Spring 2

Dear Year 6,

Welcome back! I hope you had an enjoyable and restful Half Term break. I am looking forward to seeing more superb work from you all.

As mentioned last half term, these next few months continue to be so important for you, as it is the run-up to your SATS, which will take place soon after the Easter break. The hard work continues but I promise it will all pay off in the end!

In Geography, we will continue to learn about the Frozen Kingdoms, and we have an exciting trip to the IMAX cinema at the Science Museum. Linked to this, in Art we will continue to learn about Inuit styles of art and have a go at creating our own. In Science, we will continue to learn about Electrical Circuits. We will continue reading *The Wolf Wilder* to inspire some of our English writing.

Spelling tests will take place weekly. The spellings for the week can be found on the homework sheet.

Best wishes,  
Ms. Chakiris

### Science

Electrical Circuits

### Geography

Frozen Kingdoms

### Religious Education

Easter

### Music

Songs for Battle of Britain concert

### Physical Education

Gymnastics

### Art & DT

Inuit Art

### PSHE

Keeping Safe

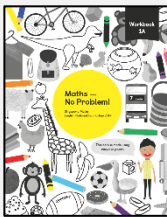

### Computing

Purple Mash

### Homework Notice!

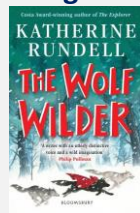

Homework will be given out every Monday and is due back on Friday.

### Maths

In Maths this half term we will be calculating area, perimeter and volume, calculating angles, reading graphs and averages, adding and subtracting negative numbers and describing patterns with algebraic equations.

### English

In English this half term, we will be looking at formal letters, explanation texts, and recounts. We will be focusing on a number of key skills such as ensuring the style of writing maintains the reader's attention, using organisational devices to structure a text and linking ideas across paragraphs using cohesive devices.

The Christian value for this half term is:

# Forgiveness

### Key Information
