Class 5 had a lovely day at Kew Gardens where they explored different still life sketching techniques and created their own ephemeral art! Next, they contextualised their learning on climate zones by investigating what conditions different plants that grow across the globe require.

Class 4 had a fantastic day at the London Wetlands Centre where they saw lots of wildlife, including otters! In the afternoon, they took part in a workshop where they learnt about how different landscape materials can help to slow down rainfall to prevent flooding, as well as create habitats for wildlife.

Congratulations to all classes for their wonderful performances in this year's Passion Play. Your acting, singing and reading was terrific and we are so proud of you!
