Class 5 had their first *Debate Mate* lesson, where they explored the skills required to engage in a debate, ways to offer opinions on various issues and how to answer oppositional points.

Class 3 started the Summer Term practising their throwing technique as the basis for many field games that they will play in the coming weeks. It was great to see so many children showing such confidence this week.

Well done to all those involved in this week's Eucharist. It has been lovely to welcome everyone back from the Easter break with such a special Resurrection service.
