

SMAil

There has been plenty of excellent learning happening at SMA this week!

Class 5 enjoyed their first training session with *Platform Cricket*, where they practised their throwing, catching and batting skills.

Class 2 are enjoying their new Science topic – *Animal Survival*. They have been identifying and classifying different types of invertebrates.

Class 3 have been naming and describing the functions of plants in their new Science topic - *Plant Nutrition and Reproduction*.

Reception Class have been learning the names of different animals in their French lessons.

Class 1 are enjoying their new class text, *Once Upon An Ordinary School Day*, linked to their new History topic - *School Days*.

Friday 26th April 2024

Class	Attendance
R	92.7%
1	88.5%
2	91.3%
3	94.8%
4	99.2%
5	97.9%
6	99.1%
Whole School	94.6%

Class 4 have been studying the work of significant designer William Morris in their Art lessons. They are looking closely at his motifs and embellishments and are working towards designing their own William Morris-inspired fabrics.
