In Music, Class 4 are learning to play the ukulele. They have been composing their own songs and learning to play as a group. Reception Class are practising how to keep a steady beat and using the shaker to do this whilst singing.

A group of children from KS2 attended Chess Fest 2024! They had a brilliant day out doing many different activities, including participating in a tournament against other schools, learning different strategies from one of the teachers, and playing against a Grandmaster!

Well done to everyone who participated in this year's Sports Day! We saw many impressive skills being demonstrated, and most importantly, fantastic teamwork. Congratulations to this year's winners: **Green House!**

Class 6 went to Forest School this week, and had great fun in the woods of Holland Park. They learnt how to build shelters, create fire torches using natural resources, collected bugs and created their own tree cookies!
