The whole school had a fantastic day on Friday, celebrating the many cultures represented in our school community! Alongside International Day, many classes are learning about the history of different cultures and the significance of events in the past.

Friday 11th October 2024

Class 5 are exploring the ancient Chinese Shang Dynasty and are learning about the importance of different objects and materials discovered at the dig at Yin Xu.

Reception and Class 1 enjoyed sharing where they are from and have made brilliant flags that they can proudly wave!

A huge thank you to all the parents who donated or helped with International Day, and a special thank you to Chestertons for sponsoring this wonderful event.

Children in Class 3 have had so many interesting questions for each other and have learnt so much about cultures other than their own.

Class 6 have been looking at Portugal and Spain's interest in Africa in the past. We discussed and wrote about questions such as 'What was the initial relationship like between Spain, Portugal and Africa?'
