

Class 3 Curriculum Newsletter – Autumn 1

Dear Class 3,

Welcome back and I hope everyone has had a wonderful summer and has come back refreshed and ready for Year 3! We have an exciting seven weeks packed with amazing learning opportunities in all of our subjects.

Our topic leading our History and English is Through the Ages where we will be learning all about how life changed from the Stone Age to the Bronze Age and how different times were to our lives now. We will be reading some fantastic books, which include Stone Age Boy, How to Wash a Woolly Mammoth and Jim and the Beanstalk.

In Science, we will be developing our knowledge of the human body and then learning about how different food and diets might affect our health and wellbeing, which coincides perfectly with our DT topic.

I look forward to welcoming you all to the Meet the Teacher session later this month to properly catch up but if you have any concerns before then, please contact me through the school office email.

Best wishes,
Miss Irwin

Homework Notice!

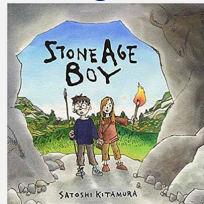

Every Monday homework will be sent home alongside Handwriting Books. Homework should be handed in on Fridays when we will have our Spelling and Times Table Tests.

Maths

This half term in Maths, we will be learning to represent three digit numbers in different ways. We will also be using different methods to add and subtract 3 digit, 2 digit and 1 digit numbers, and solve multiplication and division word problems.

English

In English this half term, we will be writing character descriptions and altering parts of the story 'Stone Age Boy'. We will also focus on non-fiction writing to create a set of instructions.
